Fill the Purse with Purpose started in 2016 by Pam Drzewiecki, founder of Powerful Purpose a Business Life Coaching practice. Pam works with women to help them design lives, businesses and careers they love with confidence and no guilt.

Her mission statement is to help, connect and work with 2,500 women by 2020 and part of that is reached through this drive. As of today, she has delivered over 300 purses to 10 different non-profit organizations.

This drive continues to be successful because of people like you that donate a "GENTLY Used Purse" filled with purposeful items:

- Scarves
- Gift cards
- Nail polishes
- Gloves
- Lip balm
- Hard candy
- Small notepads
- Lotions
- Bibles
- Pens
- Tissues
- Spiritual book
- Jewelry
- Books
- Wallet

Finish it off with a motivational note from you to the recipient — with words of encouragement. Please leave them anonymous.

The organizations that have benefited from the drive are:

- Carolyn's Place - Waterbury
- LISA, Inc. - Southington/Meriden/Plainville
- Susan B. Anthony Project - Torrington
- Kelly's Kids - Prospect
- Family Promise - New Britain
- Prudence Crandall - New Britain
- The Agapé House - Bristol
- St. Vincent DePaul - Bristol
- Corem Deo - New Britain
- Wellmore - Waterbury
- Southington Community Services

We will be collecting purses November 1-25 and getting them sorted for deliver shortly thereafter.
